

# Scrooge McJayne's A6 Gift cards & Box

**You Need:** 1 sheet A4 cardstock for box, 1 sheet A4 cardstock for card mats, 1 sheet 30 x 30 cm paper for mats for box and cards, 6 x A5 cards and envelopes, scraps of cardstock, ribbon and whatever else you want to use to decorate your cards with.

## How To:

- Using 1 sheet A4 cardstock score and fold all score lines.
- Cut lines where indicated and round off outer edges of indicated tab.
- Cut mats from 30 x 30cm cardstock to size indicated for mats. (if you cut 1 piece of paper at 17.5 x 13cm you can then simply cut off 2 x 1cm strips from one end (and trim to correct size) and 2x1cm strips from 1 side to use as mats)
- Glue mats to box where indicated.
- Fold box up and check to make sure it all fits together well.
- Glue Tab 1 underneath tab 2.
- Fold down small tabs beside Tab 3.
- Fold down Tab 3 and glue underneath Tab 4.
- Fold down small tabs at top of box and fold flap inside box.
- The box should hold up to 6 A6 cards with envelopes.
